## RAMIN SERVICE CYCLE

As a True Professional Medical Tourism Facilitator Company, We Address & Resolve your Queries & Requirements Even Before You Start From Your Home Country on your Medical Trip to India.

We Guarantee to give you an unbiased Opinion about the Procedure, its Cost, Without Withholding any Facts or Cons. Your Medical Tourism Journey to India or UAE Or Sri Lanka Is Planned well In Advance, while keeping In Mind your Condition & Comfort. We Provide Complete Medical Tourism Packages to Facilitate your Medical Trip.

### TREATMENT ADVISORY

Depending on your Requirements and Budget, We will Advise you and help you in selecting the Best Surgeons and the Best Hospitals in India or UAE or Sri Lanka where the Surgery can be performed. & Advise you on Suitable Accommodations according to your Unique Requirements & Budget. We Co-ordinate Medical Correspondence with your selected Top Surgeons where you are free to clear all your Doubts. This will be Arranged via Email or Telephone Prior to Travelling. We even Arrange a free No Obligation Video Consultation with the Surgeon in the Comfort of your Home to help you clear all your Queries & Help you make an informed Decision.

### TREATMENT PLANNING

We Prepare a Detailed Itinerary for your stay, Including your Appointments for the Surgery, i.e. the Pre-Operative, Post-Operative & your Stay/ Trips, Which is Mailed to you Before you start your Journey, Visa Assistance and free pickup & Drop from Airport. This gives you clear idea about how things progress when you are in the Country and what can you expect during your Trip.

### TREATMENT FACILITATION

We book and Arrange Appointments with the selected Surgeon on your Arrival & Arrange your Transfers and Appointments with the Surgeon for a follow up Consultations after the Surgery. You will have a Dedicated Case Manager who shall Guide you every step of the way for your complete peace of mind. We also Arrange your Priority Admission at the Hospital and Accommodation in a Hotel/ Guest House after you are released from the Hospital.

We arrange your first face to face consultation with the selected Surgeon. This will be scheduled shortly after your Arrival to discuss your requested procedures at length.

We Coordinate your Subsequent Schedule of Appointments for the Surgery. Arrange for Transportation to & from your stay, & Accompanying you for your key Appointments.

We will take care of most of your Errands and Concierge services that you may need while on your Medical Tourism Trip.

### FOLLOW-UP BACK HOME

Our Services do not end once you have flown Back Home. Once you are back in your Home Country, we Encourage you to keep in touch with us, as your Healing progress is Important. If at any stage you have any Queries, feel free to contact us and we will revert soon. We highly Appreciate Critique as well as feedback from all our Clients.

### Industry Ambassadors

- Medical tourism facilitators can make the difference in a patient's decision to travel.
- Medical tourism facilitators are the face of the industry as well as its promoters and ambassadors.
